PLANT MATERIAL WARRANTY

1+573-374-1312
606 State Rd. TT, Sunrise Beach
retail@doctorslawn.com

ONE-YEAR PLANT WARRANTY

Doctor's Nursery & Garden Center provides a one-year replacement warranty on eligible nursery stock from the purchase date. Eligible plants will be replaced once based on the original purchase price. Replacement plants carry no additional warranty.

CUSTOMER RESPONSIBILITES

Proper planting, placement, watering, and care are required for warranty coverage. Plants installed contrary to Doctor's Nursery & Garden Center recommendations are not eligible.

Please contact us **as soon as signs of stress or decline are observed** so we have an opportunity to identify the problem and recommend corrective care. Waiting until a plant has died may affect warranty eligibility.

WARRANTY CLAIMS

The original paper sales receipt is required for all claims. Customers may be asked to provide photos, allow an inspection, or return the plant before replacement is approved.

Warranty applies only to plants installed by the original purchaser or Doctor's Nursery & Garden Center. **Third-party installations are not covered.**

Warranty covers plant material only. Labor, delivery, removal, and replanting are excluded. Warranty replacements are subject to plant availability and will be provided as inventory becomes available. No cash refunds or store credit will be issued. Customers are responsible for any price difference when selecting a different replacement.

WARRANTY EXCLUSIONS

Warranty does not cover loss caused by improper watering or irrigation failure; neglect or improper care; improper planting or placement; animal damage; unreported insect or disease problems; extreme weather; or acts of nature.

No warranty applies to: annuals, bulbs, tropicals, grass seed, sod, groundcovers, plants in above-ground containers, transplanted material, or **plant material sold at a discount or as a sale item.**

LIMITED WARRANTIES

Through December 31 of year purchased: Arborvitaes, Azaleas, Rhododendrons, Nandinas, Crape Myrtles, Japanese Maples, and Fruit Trees.

60 days: Specialty plants, ornamental grasses, perennials, butterfly bushes, and roses.

Dogwoods & Redbuds: One year if purchased March 1–May 31; otherwise through December 31 of the year purchased.

Doctor's Nursery & Garden Center guarantees nursery stock is healthy and true to variety at time of sale. Please ask our team for planting, watering, and care resources.
